

ARI BLANC

MEDICAL SPA

INJECTABLES

TOX \$14/UNIT | NEW CLIENT DISCOUNT

BOTOX, DYSPORT & JEUVEAU

Smooth fine lines and minimize wrinkles with our expertly tailored toxin treatments. Experience subtle, effective rejuvenation, personalized to meet your aesthetic goals.

LIP FLIP \$125*

Subtly enhance lip height for a more defined, natural pout.

FACIAL SLIMMING / TMJ \$489*

Alleviate jaw tension and refine your jawline, achieving a slimmer, softer facial profile.

FACIAL FILLERS \$700-950* | NEW CLIENT DISCOUNT

REVANESSE VERSA, JUVEDERM & RESTYLANE

Enhance features and combat signs of aging with facial fillers. Restore volume, add contour, and achieve symmetry in key areas such as cheeks, chin, jawline, and temples for a rejuvenated, youthful appearance.

FIX & FILL \$1250*

Restore your perfect pout by dissolving old, migrated lip filler and starting fresh with our expert injectors.

GUMMY SMILE CORRECTION \$150*

Reduce excessive gum visibility for a more balanced smile.

AB SIGNATURE LIP FILLER \$750*

Utilizes 1ml of dermal filler to structure and define your lips, enhancing facial harmony.

AB MINI LIP FILLER \$500*

Perfect for a subtle enhancement, this treatment uses half a ml of dermal filler to refresh and hydrate your lips.

SKINVIVE \$650*

An injectable moisturizer that hydrates and smooths the skin, enhancing overall skin quality and glow.

PRP & PRF

UNDEREYE TREATMENT \$650 | 3 FOR \$1800

Uses your body's growth factors to rejuvenate under-eye skin, reducing dark circles, fine lines, and puffiness.

NATURAL FACIAL RESTORE \$800

Naturally increases collagen production, revitalizes skin, and delivers a luminous, youthful glow.

HAIR RESTORATION \$750 | 3 FOR \$1950

Utilizes natural growth factors to stimulate hair follicles, enhancing hair density and growth for a fuller appearance.

FACIALS

AB CLASSIC FACIAL | 60 MINUTES \$145

A classic facial with enzyme exfoliation, light extractions and a soothing masque, massage, finished with serums, and personalized expert skincare guidance. Customized for all skin types.

AB ELITE FACIAL | 60 MINUTES \$195

A premium personalized facial with dermaplaning or microderm, an enzyme or gel peel, hydrating hydrojelly mask with a relaxing massage, concluded with expert skincare guidance.

AB ELITE PLUS FACIAL | 90 MINUTES \$235

The ultimate indulgence with custom exfoliation, extractions with high frequency, followed by a clay or hydrating masque and a custom serum with hydrojelly mask. Relax with a hand, arm, neck, shoulder, and scalp massage under an LED light. Finished with expert skincare guidance.

MICRODERMABRASION FACIAL | 30 MINUTES \$150

Gently buffs away dead skin cells improving texture, reducing fine lines for a polished, radiant complexion. Completed with a calming hydrojelly mask and LED light therapy.

DERMAPLANING FACIAL | 30 MINUTES \$150

A precise exfoliation technique using a sterile blade to remove dead skin and fine hairs, enhancing skin texture and clarity. Complemented by a calming hydrojelly mask and LED light therapy.

FACIAL ADD-ONS

Enhance your facial with custom add-ons for personalized perfection:

- ◆ CHEMICAL PEEL
- ◆ HYDROJELLY
- ◆ MICRODERMABRASION
- ◆ DERMAPLANING
- ◆ LED LIGHT THERAPY
- ◆ TARGETED EXTRACTIONS

HYDRAFACIALS

SIGNATURE HYDRAFACIAL | 45 MINUTES \$199

Perfect for clients with low-maintenance, problem-free skin. This treatment offers a deep cleanse, extraction and hydration for a refreshed, clear skin.

DELUXE HYDRAFACIAL | 60 MINUTES \$275

Ideal for clients seeking solutions for specific skin concerns. Enhances the Signature experience with targeted boosters and LED light therapy to address specific concerns, calm inflammation, and soften wrinkles.

PLATINUM HYDRAFACIAL | 90 MINUTES \$325

The ultimate skincare regimen, combining all Deluxe benefits with lymphatic therapy for comprehensive skin health, lifting, and contouring for those desiring a complete skin health overhaul.

CHEMICAL PEELS

SKINCEUTICALS CHEMICAL PEELS \$175-350*

MicroPeel, Glycolic Gel Peel, Advanced Corrective Peel & TCA Peel.

BIOREPEEL \$225 | 3 FOR \$600

A bi-phase peel that rejuvenates and exfoliates, addressing signs of aging, pigmentation and acne. Stimulates cell turnover and collagen production while hydrating the skin. Minimal downtime. Ideal for all skin types.

VI PEEL \$325

An effective peel targeting hyperpigmentation, acne, and signs of aging. Enhances collagen and improves skin texture for a smoother, clearer, even-toned appearance. Minimal downtime. Suitable for all skin types.

ADVANCED SKINCARE

SKINPEN MICRONEEDLING \$400 | 3 FOR \$1050

A minimally invasive procedure that uses fine needles to stimulate collagen and elastin production, improving skin texture, reducing fine lines, and minimizing scars and hyperpigmentation for smoother, rejuvenated skin.

MICRONEEDLING WITH PRP GROWTH FACTORS \$650 | 3 FOR \$1800

Combines collagen induction therapy with the regenerative power of platelet-rich plasma, enhancing the skin's natural healing process.

BBL HEROic \$500 | 3 FOR \$1350

Transform your skin with BroadBand Light therapy. This advanced treatment effectively reduces sun damage, age spots, redness, and more, promoting a smoother, more youthful complexion with minimal downtime.

MOXI LASER RESURFACING \$700 | 3 FOR \$1950

This non-ablative laser treatment targets the earliest signs of sun damage and aging, enhancing skin tone, texture, and pigmentation for a clearer, more radiant complexion. Suitable for all skin types and effective year-round.

BBL HEROic & MOXI COMBINATION \$1050 | 3 FOR \$3100 - INCLUDES NECTAR

Experience comprehensive skin renewal with the mJoule device, combining MOXI and BBL technologies. This dual treatment targets various skin layers, enhancing brightness, tightening skin, smoothing texture, and reducing pigmentation for an even tone.

IPL PHOTO REJUVENATION \$400 | 3 FOR \$1050

Utilizes broad-spectrum light to address sun damage, redness, fine lines and pigmentation, promoting collagen production for clearer, more even-toned skin with minimal downtime.

LASER GENESIS \$250 | 3 FOR 675

Enhance collagen production and improve skin texture while reducing redness and minimizing fine lines and scars, all with no downtime.

LASER VEIN REMOVAL \$150 | PRICED BY 15 MIN. INCREMENTS

Diminish spider veins with our non-invasive laser treatment, which targets and reduces visible veins for enhanced skin smoothness and tone. Pricing varies by treatment duration.

BODY SCULPTING

TRUSCULPT ID \$1200* | PRICED PER AREA

Customized body sculpting and fat reduction using advanced radiofrequency technology.

TRUSCULPT FLEX \$500* | 3 FOR \$1200

Personalized muscle sculpting treatment tailored to your fitness level, shape, and goals to strengthen, firm, and tone muscles.
